- ClearBridge RARE Infrastructure Value Fund Unhedged (referred to in this document as "Infrastructure Value Fund Unhedged") constituted on 2 May 2011.

#### **Principal Activities**

The principal activity of each Fund is to invest in accordance with the investment objective and guidelines as set out in the Fund's current Product Disclosure Statement and its Constitution.

The Funds did not have any employees during the half-year.

There were no significant changes in the nature of the Funds' activities during the half-year.

#### Directors

The following persons held office as directors of Franklin Templeton Australia Limited during the half-year or since the end of the half-year and up to the date of this report:

- M. Harrison (Chairperson)
- G. Shaneyfelt
- E. Venner
- Q. Lupo
- M. Sund

#### Review and results of operations

During the half-year, the Funds continued to invest in accordance with target asset allocations as set out in the governing documents of the relevant Funds and in accordance with the provisions of the Funds' Constitution.

### **Directors' report (continued)**

#### Significant changes in state of affairs

Markets continue to be affected by global interest rate and inflation pressures, ongoing geopolitical events as well as fears of a looming global recession. Such events can affect the assets of the Funds, and thus performance of the Funds. Management continues to monitor these developments and evaluate their impact on the Funds.

In the opinion of the directors, there were no other significant changes in the state of affairs of the Funds that occurred during the financial half-year.

#### Matters subsequent to the end of the financial half-year

As disclosed in note 9 to the financial statements, no matter or circumstance has arisen since 31 December 2022 that has significantly affected, or may significantly affect:

- (i) the operations of the Funds in future financial years; or
- (ii) the results of those operations in future financial years; or
- (iii) the state of affairs of the Funds in future financial years.

### **Directors' report (continued)**

#### Likely developments and expected results of operations

The Funds will continue to be managed in accordance with the investment objectives and guidelines as set out in the governing documents of the Funds and in accordance with the provisions of the Funds' Constitution.

The results of the Fund's operations will be affected by a number of factors, including the performance of investment markets in which the Funds invest. Investment performance is not guaranteed and future returns may differ from past returns. As investment conditions change over time, past returns should not be used to predict future returns.

#### Indemnification and insurance of officers

No insurance premiums are paid for out of the assets of the Funds in regards to insurance cover provided to either the officers of Franklin Templeton Australia Limited or the auditors of the Funds. So long as the officers of Franklin Templeton Australia Limited act in accordance with the Funds' Constitutions and the law, the officers remain indemnified out of the assets of the Funds against losses incurred while acting on behalf of the Funds.

#### Indemnity of auditors

The auditors of the Funds are in no way indemnified out of the assets of the Funds.

#### Interests in the Funds

The movement in units on issue in the Funds during the financial half-year is disclosed in note 6 to the financial statements.

The value of the Funds' assets and liabilities is disclosed on the balance sheets and derived using the basis set out in note 2 to the financial statements.

#### Environmental regulation

The operations of the Funds are not subject to any particular or significant environmental regulations under a Commonwealth, State or Territory law.

#### Rounding of amounts to the nearest thousand dollars

The Funds are entities of the kind referred to in ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191 and in accordance with that instrument, amounts in the financial statements and directors' report have been rounded off to the nearest thousand dollars, unless otherwise stated.

#### Single set of financial statements

The Schemes are of the kind referred to in *ASIC Corporations (Related Scheme Reports) Instrument 2015/839* issued by the Australian Securities and Investments Commission ("ASIC") and in accordance with that ASIC Instrument, Schemes with a common Responsible Entity (or related responsible entities) can include their financial statements in adjacent columns in a single set of financial statements.

### **Directors' report (continued)**

#### Auditor's independence declaration

A copy of the Auditor's independence declaration as required under Section 307C of the *Corporations Act 2001* is set out on page 5.

This report is made in accordance with a resolution of the directors.

### 1 General information

This interim general purpose financial report covers the following managed investment schemes (the "Funds"). The Funds are registered managed investment schemes under the *Corporations Act 2001*. The Funds may be terminated in accordance with the provisions of the Funds' Constitutions. The Funds are domiciled in Australia. The respective constitution dates are as follows:

- ClearBridge RARE Infrastructure Value Fund Hedged (referred to in this document as "Infrastructure Value Fund Hedged") constituted on 1 August 2006;
- ClearBridge RARE Infrastructure Income Fund Hedged (referred to in this document as "Infrastructure Income Fund Hedged") constituted on 9 July 2008;
- ClearBridge RARE Infrastructure Value Fund Unhedged (referred to in this document as "Infrastructure Value Fund Unhedged") constituted on 2 May 2011.

The Responsible Entity of the Funds is Franklin Templeton Australia Limited (ABN 76 004 835 849) (the "Responsible Entity"). The Responsible Entity's registered office is Level 47, 120 Collins Street, Melbourne, VIC 3000.

This interim financial report is presented in the Australian currency.

The principal activity of each Fund is to invest in accordance with the investment objectives and guidelines as set out in the Fund's current Product Disclosure Statement and its Constitution.

Net assets attributable to unitholders of Infrastructure Value Fund - Hedged, Infrastructure Income Fund - Hedged and Infrastructure Value Fund - Unhedged remain disclosed as a liability as its multi-class structure means they have not met the strict criteria for recognition as equity, despite their election into the AMIT tax regime.

Markets continue to be affected by global interest rate and inflation pressures, ongoing geopolitical events as well as fears of a looming global recession. Such events can affect the assets of the Funds, and thus performance of the Funds. Management continues to monitor these developments and evaluate their impact on the Funds.

This interim financial report is authorised for issue by the directors of the Responsible Entity on 7 March 2023. The directors of the Responsible Entity have the power to amend and reissue this interim financial report.

### 2 Summary of significant accounting policies

#### (a) Basis of preparation

This interim general purpose financial report for the half-year ended 31 December 2022 has been prepared in accordance with Australian Accounting Standard 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

The Funds are for-profit unit trusts for the purpose of preparing the financial statements. This interim financial report does not include all the notes of the type normally included in an annual financial report. Accordingly, this interim financial report is to be read in conjunction with the annual financial report for the financial year ended 30 June 2022 and any public announcements made in respect of the Funds during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The accounting policies and methods of computation adopted in the preparation of the half-year financial statements are consistent with those adopted and disclosed in the Funds' 2022 annual financial report for the financial year ended 30 June 2022, except as noted below.

#### *(i)* New accounting standards or amendments adopted by the Funds

There are no new standards, interpretations or amendments to existing standards that are effective for the first time for the financial half-year beginning 1 July 2022 that would be expected to have a material impact on the Funds.

#### (ii) Compliance with International Financial Reporting Standards

The financial statements of the Funds also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

#### (iii) Significant accounting policies

The accounting policies in these interim financial statements are the same as those applied in the Funds' financial statements for the year ended 30 June 2022.

There are no standards that are not yet effective and that are expected to have a material impact on the Funds in the prior periods or will affect the current or future reporting periods and on foreseeable future transactions.

### 3 Fair value measurement

The Funds measure and recognise the following assets and liabilities at fair value on a recurring basis;

- Financial assets/liabilities at fair value through profit or loss (see note 4 and 5); and
- Derivative financial instruments.

The Funds have no assets or liabilities measured at fair value on a non-recurring basis in the current half-year.

AASB 13 requires disclosure of fair value measurements by level of the following fair value hierarchy;

- (a) quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- (b) inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2); and
- (c) inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

#### (i) Fair value in an active market (level 1)

The fair value of financial assets and liabilities traded in active markets is based on their quoted market prices at the end of the financial half-year without any deduction for estimated future selling costs.

The Funds value their investments in accordance with the accounting policies set out in note 2 of the financial statements. For the majority of their investments, the Funds rely on information provided by independent pricing services for the valuation of their investments.

The market price used for financial assets held by the Funds is the current last price; the market price used for financial liabilities is the current asking price. When the Funds hold derivatives with offsetting market risks, they use mid-market prices as a basis for establishing fair values for the offsetting risk positions and apply this last or asking price to the net open position, as appropriate.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

#### (ii) Fair value in an inactive or unquoted market (level 2 and level 3)

The fair value of financial assets and liabilities that are not traded in an active market is determined using valuation techniques. These include the use of recent arm's length market transactions, reference to the current fair value of a substantially similar other instrument, discounted cash flow techniques, option pricing models or any other valuation technique that provides a reliable estimate of prices obtained in actual market transactions.

Where discounted cash flow techniques are used, estimated future cash flows are based on management's best estimates and the discount rate used is a market rate at the end of the financial half-year applicable for an instrument with similar terms and conditions.

For other pricing models, inputs are based on market data at the end of the financial half-year. Fair values for unquoted equity investments are estimated, if possible, using applicable price/earnings ratios for similar listed companies adjusted to reflect the specific circumstances of the issuer.

The fair value of derivatives that are not exchange traded is estimated at the amount that the Funds would receive or pay to terminate the contract at the end of the financial half-year taking into account current market conditions (volatility and appropriate yield curve) and the current creditworthiness of the counterparties. The fair value of a forward contract is determined as a net present value of estimated future cash flows, discounted at appropriate market rates as at the valuation date. The fair value of an option contract is determined by applying the Black Scholes option valuation model.

Investments in other unlisted unit trusts are recorded at the redemption value per unit as reported by the investment managers of such trusts.

Some of the inputs to these models may not be market observable and are therefore estimated based on assumptions.

The output of a model is always an estimate or approximation of a value that cannot be determined with certainty, and valuation techniques employed may not fully reflect all factors relevant to the positions the Funds hold. Valuations are therefore adjusted, where appropriate, to allow for additional factors including liquidity risk and counterparty risk.

The Funds' policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

#### (iii) Transfers between levels

There were no transfers between levels during the half-year ended 31 December 2022 and for the financial year ended 30 June 2022.

#### (iv) Movement in level 3 instruments

There were no investments classified as level 3 within the Funds as at 31 December 2022 and 30 June 2022.

#### (v) Fair value of financial instruments not carried at fair value

The carrying value of receivables and payables are assumed to approximate their fair values. Net assets attributable to unitholders' carrying value differs from its fair value (deemed to be redemption price for individual units) due to differences in valuation inputs. This difference is not material in the current half-year or for the year ended 30 June 2022.

### 6 Net assets attributable to unitholders - equity/liability

Under AASB 132 *Financial instruments: Presentation*, puttable financial instruments meet the definition of a financial liability to be classified as equity where certain strict criteria are met. The Funds shall classify a financial instrument as an equity instrument from the date when the instrument has all the features and meets the conditions. Otherwise the financial instrument should be disclosed as a liability.

Net assets attributable to unitholders of Infrastructure Income Fund - Hedged remain disclosed as a liability as its multi-class structure means it has not met the strict criteria for recognition as equity, despite its election into the AMIT tax regime.

### 6 Net assets attributable to unitholders - equity/liability (continued)

#### Capital risk management

Infrastructure Value Fund - Hedged, Infrastructure Income Fund - Hedged and Infrastructure Value Fund - Unhedged Fund consider their net assets attributable to unitholders as capital, notwithstanding net assets attributable to unitholders are classified as a liability. The amount of net assets attributable to unitholders can change significantly on a daily basis as the Funds are subject to daily applications and redemptions at the discretion of unitholders.

For all Funds, daily applications and redemptions are reviewed relative to the liquidity of the Funds' underlying assets on a daily basis by the Responsible Entity. Under the terms of the Funds' Constitutions, the Responsible Entity has the discretion to reject an application for units and to defer or adjust a redemption of units if the exercise of such discretion is in the best interests of unitholders.

The Responsible Entity monitors the impact of applications and redemptions relative to the liquid assets in the Funds.

### Report on the half-year financial report

#### Conclusion

We have reviewed the half-year financial report the Funds which comprises the balance sheets as at 31 December 2022, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, significant accounting policies and explanatory notes and the directors of the Responsible Entity's (Franklin Templeton Australia Limited) declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Funds do not comply with the *Corporations Act 2001* including:

- 1. giving a true and fair view of the Fund's financial position as at 31 December 2022 and of its performance for the half-year ended on that date
- 2. complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

#### **Basis for conclusion**

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* (ASRE 2410). Our responsibilities are further described in the *Auditor's responsibilities for the review of the half-year financial report* section of our report.

We are independent of the Funds in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

#### Responsibilities of the directors for the half-year financial report

The directors of the Responsible Entity are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors of the Responsible Entity determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

#### Auditor's responsibilities for the review of the half-year financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Funds' financial position as at 31 December 2022 and of its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
