Important information

ClearBridge Investments Limited (ABN 84 119 339 052, AFSL No. 307727) ("ClearBridge") is the Model Manager for the ClearBridge Developed Markets Infrastructure Income Model Portfolio (the "Model Portfolio"). Investors will not be able to invest in the Model Portfolio directly but may only obtain access via a platform, IDPS, IDPS-like or other managed account provider ("Operator"). Any performance reported in this document is the performance of the Model Portfolio and not the performance of any investment option within a scheme. The Operator has full discretion in regard to security selection and composition across the portfolio and is responsible at all times for the implementation and ongoing management of any actual investment option based on the Model Portfolio. Each Operator will charge its own fees and costs which will affect the performance of the actual portfolio. This means that the Model Portfolio set out in this document may vary from the actual portfolio held by an Operator. ClearBridge does not have any responsibility to investigate, oversee, review or monitor an Operator's implementation and ongoing management of the Model Portfolio. While this document has been prepared with all reasonable care, ClearBridge accepts no responsibility or liability for any errors, omissions or misstatements however caused. This information is not personal advice. It has been prepared without taking account of individual objectives, financial situation or needs. Potential investors should seek independent advice as to the suitability of any product to their investment needs. Past performance is not indicative of future performance. Reference to shares in a particular company is not a recommendation to buy, sell or hold that stock. Forecasts are based upon internal research and projections. Actual results may materially differ. ClearBridge does not provide any guarantees. ClearBridge is wholly, indirectly owned by Franklin Resources, Inc., and is part of ClearBridge Investments, LLC.
